WHY **WIBIT**

FROM THE WORLD'S
LEADING FLOATING
WATER PARK BRAND

wibit™

1. Safety Above all

- Wibit products and parks are based on state-of-the-art safety and quality standards. Every product and every single component is a benchmark of safety. **All our products are TÜV certified** and meet the safety requirements of **EN ISO 25649.**

- Our modules are made of reinforced PVC material. This industrial PVC material is used for inflatable boats and also for Wibit products. It complies with the health regulations of the **European Union's REACH regulation** – the highest chemical safety standards in the world.

- We work with the **Royal Life Saving Society** UK (RLSS UK), a non-profit water rescue organization and the UK's leading provider **of water safety and drowning accident prevention training.** Our common goal: to introduce basic industry-wide safety standards.

Your benefit: We never compromise on safety and quality, thus ensuring an enjoyable and safe experience for your customers.

2. Unmatched Guarantee

- Our **guarantee period** for inflatable products is **3 years**, reflecting our unwavering confidence in the superior quality and durability of our products.
- This commitment offers the **longest warranty duration** found across the entire inflatable industry. It's a testament to our dedication and secures your investment.
- If you ever have a defective product, we provide **straightforward and quick assistance** both within and outside the warranty period. With the capability to perform **repairs in our own Repair Center,** we help maximize the lifespan of your products and reduce our ecological footprint.

Your benefit: Peace of mind and the confidence, to build your business on a solid and resilient foundation.

3. Enhanced Customer Retention Using Proven Systems

- **Wibit floating waterparks bring fun to everyone,** from athletes to families, ensuring everyone enjoys the fun and keeps coming back.
- **Foster the Flow:** We define *flow* as the smooth, efficient, and organized movement of numerous people through our modules.
  With the **RouteFinder** and **Infinity Loops,** Wibit ensures a perfect flow.
  That means: no bottlenecks, no queues, and no collisions
  but an unforgettable customer experience.
- Our patented **Step Up System (SUS)** is a milestone in providing easy access to inflatable products. Many of our products feature multiple entry points.

Your benefit: Enhanced throughput and a user-friendly experience ensure repeat visits, boosting revenue and brand loyalty.

4. German Engineering

Innovative Systems & superior design

- When coming up with **new products,** we are keen to explore **new approaches** and not rely on outdated and unstable tubular constructions.
- Every single detail is thought out and meticulously planned: From **anchoring** and **wind exposure** to **user experience** and **lifeguarding strategies** – we take all these details into account when designing product innovations.
- Our core strength is the **design of individual floating waterparks,** as individual as you are. While designing your park layout, we ensure that your Wibit waterpark reflects your unique identity. Each park is tailored to perfectly suit your **location's specifications, capacity requirements, budget** and **target groups.**
- We offer **solutions for any budget and capacity:** There is no park too small or too big for us. Additionally, we aim to support the **growth of your business** as much as possible. This is why we make **park upgrades** seamless.

Your benefit: With our expertise in crafting individualized floating waterparks, your Wibit waterpark will truly resonate with your unique identity and meet all your specific needs. Regardless of budget or size, we provide scalable solutions to match and promote your business growth, making upgrades hassle-free.
