

**SAY IT ON
THE WATER!™**

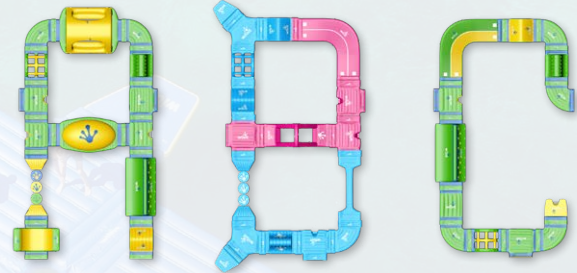

wibit™

MAKE IT SPECIAL

WibitTAG
Say it on the water™

The **first ever floating sign** people can actually play on and a **way of marketing** that has never been seen before. Create your **iconic structure** in a **simple and keen way**. The modular Wibit products can be arranged into **letters, numbers, shapes or symbols** to **communicate anything you like** on the water - even in your color!

INNOVATIVE SYSTEM

MARRY ME LARAI

Professional design, installation and safety guaranteed!

From 3D to your Location

MARRY ME LARAI

My Wibit Sports Park is shaped and colored like the official Dubai tourism logo and it floats on the water which makes it unique even in this city!

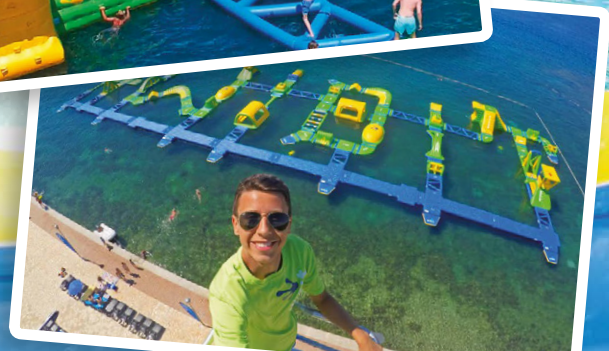

Ahmed Ben Chaibah, Aqua Fun Dubai

PEOPLE MAGNET

Resorts, cities, countries, brands and private operators can now **"tag"** a water location to **maximize exposure** from land and air, giving them an iconic identity and a **one-of-a-kind communication tool**.

You've got something to say? **Say it on the water** - or in other words: **WibitTAG** it!

- **Fun** - All the fun of a regular Sports Park
- **Individual** - Customize your message
- **Communicative** - One-of-a-kind photo and social media opportunities

ICONIC STRUCTURE

WibitTAG
Say it on the water™

With the RiminiTAG on the water, people recognize us and specially choose this beach. They share their experience in social media with a one-of-a-kind picture.

WIBIT'S BIGGEST PROJECTS

“The whole region is so proud to open the world's largest aqua park and the first Wibit SportsPark in Bali. We are sure it will be a huge success for the local business attracting thousands of locals and visitors.”

Yudiansah Yosah, Aquadreamland Bali, Indonesia

When planning this large waterpark, first-class service and flexibility were most important to me. That's why we chose the world market leader. I feel proud that I contributed to my city Jeddah, in designing the biggest floating water park in the world. Choosing the TAG "Saudi Arabia" was a small gesture of saying thank you from me and Blue Limits. The cooperation with Wibit was excellent from planning to installation. Lots of appreciation to Wibit for making such a dream a reality.

Danni Rosa, Blue Limits, Saudi Arabia

Blajat Beach, Salmiya, Kuwait

FACTS: An impressive size of 300 x 30 meters, featuring over 370 floating modules with a capacity of more than 730 individuals.

KuwaitTAG: A revolutionary representation of the word „Kuwait“ using systematically connected Wibit modules, creating a striking visual both from land and air.

WibitKIDS: A dedicated area specially designed for children aged four and above, ensuring endless fun and safety.

LOOFT by Wibit: An oasis of relaxation, offering premium floating relaxation platforms, cabanas, and lounges, offering a perfect break after an adrenaline-filled adventure.
